

Barr Lake/Milton Reservoir Watershed Association Public Stakeholder Meeting

Tuesday, February 24, 2009 (9:00am – 1:00pm)
Wes Brown Water Treatment Plant (directions below)

Meeting Objectives:

- Business and committee updates
- Learn about modeling results including target numbers for phosphorus
- Discuss the results of model scenario runs & load reductions
- Review approaches to achieving target conditions and nutrient loads

Pre-Workshop note: If you've missed some of our recent meetings there's lots of information to help bring you up-to-speed on our projects and modeling work. Please visit: www.barr-milton.org for details.

Agenda

8:45 Coffee and Networking

9:00 Business Items

- Welcome, Sign-In, and Overview
- Approve minutes from 10-28-08 stakeholder meeting
- Updates (*Laurie Rink*)

- Ask the modelers → Stakeholder modeling discussion and Q&A

11:50 10 Minute Break (Distribute Lunch)

12:00 Modeling Q&A, Part II

- Ask the modelers → Continued stakeholder modeling discussion and Q&A

1:00 Meeting Adjourned

Directions to the Wes Brown Water Treatment Plant in Thornton

3651 E. 86th Ave Thornton, CO
(303) 255-7720

Coming from I-25

Take the 84th Ave exit (near American Furniture Warehouse) east to Washington Street. Turn left on Washington heading north to 88th Ave. Turn right on 88th heading east to Welby Road (just past the railroad tracks), then turn left and head south to 86th Ave. Head east to Wes Brown Plant (about ½ mile). The plant is on the left.

Coming from I-76

Take the 88th Ave exit (by Mile Hi Flea Market), and head west to Welby Rd. Turn left on Welby Rd and head south to 86th Ave. Turn left, heading east, to Wes Brown Plant (about ½ mile). The plant is on the left.

Parking:

There is a large parking lot on the north (back) side of the building. Limited parking is also available in front of the plant. The front doors have a button that can be pushed to request entrance, but there will also be someone present to allow meeting participants to enter. The meeting will be in the second floor conference room.
