Dear BMW Stakeholder:

Enclosed please find a copy of the membership dues invoice for membership in the Barr Lake and Milton Reservoir Watershed (BMW) Association for the August 2007 through July 2008 fiscal year. Note that dues must be **paid in full by July 27, 2007** in order to determine the composition of the Board and prepare for the election of at-large Directors.

The invoice format allows each organization to choose the appropriate level of membership and corresponding dues amount. If you need a hard copy or prefer an invoice with only one membership choice, please contact BMW Coordinator Alice Wood at 303-404-2944 ext. 13.

Cash support from our membership is essential in providing matching funds for the 6-year Section 319 grant awarded to BMW through the Colorado Department of Public Health and Environment. The funds support the BMW Coordinator position, information and education outreach expenses, and contractor's fees for the extensive technical analyses and evaluations that are needed to meet Association goals.

Membership support this past year was strong with 9 organizations joining at the Sustaining Level, 7 at the Active Level, and 7 at the Supporting Level. Please consider joining again at a similar or higher level than last year. Your contributions are well appreciated, including both dues and your personal/professional investment of time.

Thank you.

Yours truly,
BARR LAKE AND MILTON RESERVOIR WATERSHED ASSOCIATION
